

6th Grade News

Week of June 15-18, 2020

Dear Parents and Students of 6th Grade,

Can you believe it? It's the last week of school! You asked us now what? Well, we are going to **Google Meet tomorrow, Monday** at our regularly scheduled time: **400 at 12pm, 402 at 12:30pm, and 403 at 1pm**. Be on time as we are going to talk about what you need to know to wrap up the school year and what you should be doing over the summer so you are ON TRACK for next year.

Then on **Thursday, 6th grade is going to meet from 1-2pm to celebrate** our Top 10 Students in Math, Reading, Social Studies, Science, and Writing for the 4th Quarter. Afterwards, we are ALL going to play Kahoot to compete for bragging rights in each subject. Make sure you have 2 devices to play: one to see the questions (computer or Chromebook) and the other to type in your answers (like a phone or iPad).

PARENTS we cannot **THANK YOU** enough for all your support during this transition to remote learning. We could NOT have done this without you. Please store your child's Chromebook in a safe place over the summer. To be prepared for next school year, please have your child go on getepic.com/students, type in class code stj4366 and have them continue to read over the summer for just 20 minutes a day. **We also need you to answer this survey** to get your feedback. **Please take a few minutes to complete it now:** <https://forms.gle/pFA6wiLtrRLsvGaE6>.

Students we also want to hear from you and need you to **complete this survey:** <https://forms.gle/h6GjO4bu5GqUTTiG6> **AND write a letter** to an incoming 6th grader next year on what they need to know about 6th grade. This will be **DUE by Thursday 6/18** to your homeroom teacher's Google Classroom page.

Congratulations! "It's only after you've stepped outside your comfort zone that you begin to change, grow, and transform" and this we ALL did during these most memorable times.

With Love,
Your 6th Grade Team

Final Thoughts/Shout Outs From Teachers!

Reading	Math	Science
<p>Ms. Marro -</p> <p>Ms. Otten - SHOUT OUTS for last week's EPIC Readers. In just 49 hours, we read 132 BOOKS and watched 11 videos. CONGRATULATIONS!!! Way to go to our leaders in each homeroom: Genesis in 400 who read 7 books, Miguel in 402 reading 9 books, and Joniah reading 30 books. What?! I couldn't be more proud of ALL of you this year.</p> <p>Ms. Smookler- I can't believe the school year is almost over! You all worked so incredibly hard this year despite the MANY challenges you all faced. Be sure to continue reading over the summer (MobyMax, Epic, CommonLit, NewsELA, etc.) , as well as drawing and writing. You all blew my mind with your creativity this year. I can't wait to see your growth next school year. Please feel free to email me over the summer if you ever need anything or just want to chat!</p>	<p>Ms. Tell - Shout Outs for students who completed all assignments last week: 400: Taniyah Love 402: Tony and Isabella 403: Alan, Jesus, Daylanis, Aaron, Joniah, and Yeselyn. Thank you for finishing strong!!</p> <p>Mr. Caponigri - Looking forward to see everyone before break! Parents please make sure students go online to mobymax this summer to continue their learning.</p> <p>Ms. Roy- WOW... what a challenge this year has been. From the beginning teachers strike in October, to the sudden ending of classes, due to COVID-19. I know remote learning was very difficult for us but we made it through. Please continue to work on MobyMax and have a great summer. Really miss you all</p>	<p>Mr. Rodriguez -</p>

Estimados padres y estudiantes del 6to grado,

¿Pueden creerlo? ¡Es la última semana de clases! ¿Nos preguntaste ahora qué? Bueno, vamos a tener una reunión en **Google Meets** mañana, **lunes** en nuestro horario regular: **4:00 a 24:00, 4:02 a las 12:30 horas, y 4:03 a la 1pm**. Llegue a tiempo, ya que vamos a hablar sobre lo que necesita saber para concluir el año escolar y lo que debe hacer durante el verano para que esté LISTO para el próximo año.

Luego, el **jueves**, el **6to grado se reunirá de 1 a 2 p.m. para celebrar** a nuestros 10 mejores estudiantes en matemáticas, lectura, estudios sociales, ciencias y escritura para el cuarto trimestre. Después, **TODOS** jugaremos Kahoot para competir por los derechos de fanfarronear en cada tema. Asegúrese de tener 2 dispositivos para jugar: uno para ver las preguntas (computadora o Chromebook) y el otro para escribir sus respuestas (como un teléfono o iPad).

PADRES, no podemos **agradecerles lo** suficiente por todo su apoyo durante esta transición al aprendizaje remoto. No podríamos haber hecho esto sin ti. Guarde el Chromebook de su hijo en un lugar seguro durante el verano. Para estar preparado para el próximo año escolar, haga que su hijo vaya a getepic.com/students, escriba el código de clase **stj4366** y haga que continúen leyendo durante el verano durante solo 20 minutos al día. **También te necesitamos respuesta esta encuesta** para obtener sus comentarios. **Tómese unos minutos para completarlo ahora:** <https://forms.gle/pFA6wiLtrRLsvGaE6>.

Estudiantes también queremos saber de usted y necesitamos que **complete esta encuesta:** <https://forms.gle/h6GjO4bu5GqUTTiG6> **Y escriba una carta** a un estudiante entrante de 6to grado el próximo año sobre lo que necesita saber sobre 6to grado. Esto será **DUE antes del jueves 6/18** a la página de Google Classroom de su maestro de aula.

¡Felicidades! "Es solo después de que has salido de tu zona de confort que comienzas a cambiar, crecer y transformarte" y esto **TODOS** lo hicimos durante estos momentos memorables.

Con amor,
su equipo de
